BELANGRIJKE MEDEDELING:

Tijdens de zaalveiling is het niet mogelijk om uw duiven tussendoor af te rekenen en/of mee te nemen, dit kan pas nadat de veiling is afgelopen. Houd hier aub rekening mee.

Geachte Sportvrienden & Vriendinnen,

Hier heeft u de nieuwe verkoopcatalogus van de “**Pearls of the Sky**” voor u. Het wordt alweer de **7e editie** van dit geweldige evenement. Een internet-/zaalveiling waar alleen de internationale top aan meedoet en die inmiddels is uitgegroeid tot een vaste waarde binnen de hedendaagse duivensport.

Dit jaar is er een nieuwe samenwerking aangegaan met Dreampigeons.com (Bart Hoogeveen). Die zich focust op de Chinese markt. Ze hebben een zeer breed netwerk met diverse agenten. Mede hierdoor kunnen wij onze duiven beter presenteren en onder de aandacht brengen van een nog breder publiek. Onze hoofdagente voor de Chinese markt is Mrs. Snow. Ze heeft al onze deelnemers bezocht en er mooie interviews en promofilms gemaakt om ook zo het aanbod wereldwijd onder de aandacht te brengen. Wij zijn haar dan ook zeer erkentelijk voor haar werkzaamheden en hopen dat mede door haar inzet de kwaliteit die wij hier in deze veiling aanbieden zal worden gewaardeerd.

Dit jaar is de nadruk meer komen te liggen op de programma duiven, maar we hebben ook enkele exclusieve duiven voor de fond liefhebbers onder ons in de verkoop. Bijna alle Nederlandse topliefhebbers doen weer mee en hebben extra hun best gedaan om iets specials te brengen. Daarnaast zijn we erin geslaagd om dit jaar ook de Belgische markt, ook wel het mekka van de duivensport genoemd er meer in te betrekken met ook daar een absoluut topaanbod.

Dit alles bij elkaar heeft er voor gezorgd dat de kwaliteit die wij aanbieden nog nooit zo hoog is geweest. In deze veiling worden enkel kinderen, broers, zussen of nauw verwanten nazaten aangeboden van Nationale winnaars, Nationale as-duiven of Olympiade duiven.

Door deze unieke samenwerking hopen wij als organisaties verder te kunnen groeien en dat dit event meer een meer een begrip wordt. Wij danken op voorhand onze deelnemers voor het vertrouwen en natuurlijk ook onze kopers, die we alvast veel succes wensen met de nieuwe aankopen, want zonder u geen Pearls Of The Sky.

We wensen u veel plezier en succes tijdens de “Pearls Of The Sky”

Pearls OF THE Sky

7th EDITION

DEC 6, 2025

Dear Sports Friends,

We are delighted to present the new **"Pearls of the Sky"** sales catalogue. This marks the **7th edition** of this prestigious event – a combined online and live auction featuring only the very best of the international pigeon sport. Over the years, it has firmly established itself as a highlight on the modern pigeon racing calendar.

This year we are proud to announce a new collaboration with Dreampigeons.com (Bart Hoogeveen), a platform with a strong focus on the Chinese market. With their extensive network of agents, we are now able to present and promote our pigeons to an even wider global audience. Our main representative for the Chinese market, Mrs. Snow, has personally visited all participating fanciers, producing outstanding interviews and promotional videos to introduce our pigeons worldwide. We are deeply grateful for her dedication and are confident that, through her efforts, the exceptional quality offered in this auction will be recognized and appreciated.

The focus this year is primarily on middle-distance (program) pigeons, though several exclusive long-distance pigeons are also available for the true fond enthusiasts. Almost all leading Dutch fanciers are once again participating, each striving to contribute something truly special. In addition, we have strengthened our ties with Belgium – the undisputed heart of the pigeon sport, resulting in an equally impressive selection from across the border.

Together, these contributions have raised the overall standard to an unprecedented level. Every pigeon offered in this sale is either a child, brother, sister, or close relative of National Winners, National Ace Pigeons, or Olympiad Pigeons.

Through this unique collaboration, we aim to continue growing and to further establish Pearls of the Sky as a name synonymous with excellence. We sincerely thank all our participants for their trust, and of course, our buyers, to whom we wish every success with their new acquisitions. After all, without you, there would be no Pearls of the Sky.

We wish you an enjoyable and successful experience during the 7th edition of "Pearls of the Sky."

With kind regards,

*Team GPS-Auctions
& Dreampigeons*

H. & E.J. Eijerkamp

Hans & Evert-Jan Eijerkamp are synonymous with excellence in both Dutch and international pigeon racing. Their loft in Brummen is home to multiple national champions across all disciplines: sprint, middle distance, long distance, and young birds. Stars like "Geeloger," purchased from Erik Limbourg, have already delivered top national results, while "Zoë" dominates sprint and middle distance rankings worldwide. Other exceptional pigeons include "Luka Modric," "Olympic Jozef," and "Speedy Grizzle." For the 7th edition of Pearls of the Sky, the Eijerkamps present a direct son of "Geeloger," offering a rare opportunity to add world-class bloodlines to your loft.

Team de Hoogh

From Oosterhout, Team De Hoogh continues a strong family tradition in Dutch pigeon sport since 1922. Dries, Gert, Danny, and Ad continue a legacy built on the legendary "Adwin." His descendants, like "Magic Ad," "National Storm," and "De Gert," have amassed countless top prizes, including multiple 1st NPO and Provincial victories. The 2025 stars, "De 05" and "Femke," are already shining with NPO and Provincial wins. In this Pearls of the Sky 7th edition Team De Hoogh offers offspring from "Adwin," an exclusive pairing of "De 05" x "Femke," and one white daughter from "King of Leon."

Team v/d Pasch

Team van de Pasch from Grubbenvorst has long been at the very top of Dutch pigeon racing. With carefully selected lines complemented by Willem de Bruijn bloodlines, they excel nationally and internationally. Highlights include multiple national championships, 18 Olympiad pigeons, and consistent top rankings in NPO and WHZB competitions. New stars like "Unlimited Dream", 1st Olympiad Bird Category Middle Distance & 1st NPO Brienne are the new foundation of the loft. Internationally, their pigeons shine in major One Loft Races in China. At the 7th edition of Pearls of the Sky, Team van de Pasch will offer exclusive top pigeons from these elite bloodlines.

Ruud & Dolf Bakker

Ruud and Dolf Bakker have established one of the most complete and dominant lofts in the Netherlands. Built on a strong foundation of Gerard Koopman pigeons, their colony excels from 100 to 750 km, combining Sprint & Long Distance at the highest level. Highlights from 2025 include top national results from Issoudun, Salbris, and La Ferté St. Aubin, with both old and young birds performing superbly. Key breeders such as "Germiny," "Artus," "Saraly," and "Germiny's Dream" form the core of this winning family.

Stefan Steenbergen

Stefan Steenbergen is one of Belgium's absolute pigeon sport masters. An ex-footballer from Herk-de-Stad, he dominates Belgian and international competitions with a relatively small loft, boasting six National KBDB victories. In 2024 he represented Belgium at the Olympiad with two pigeons: "Olympic Iron Luna" and "Olympic Iron Lady." Last season he had a national triumph with "National Leo's Bulckje," 1st National Bourges. And his legendary "Ghost" serves as his foundation, siring top National and OLR winners. In this Pearls of the Sky 7th edition Stefan Steenbergen will offer three exclusive young pigeons from his Olympiad pigeons.

De Bock-De Smeyter

The partnership of Jelle De Bock and Joost De Smeyter has quickly risen to the top of Belgian pigeon racing. Their standout hen "Olympic Hope" crowned their success as 1st Olympiad Bird Cat. Yearlings 2022. Always aiming higher, they strengthened their breeding loft with two remarkable purchases from the PIPA Elite Center: "Dali 418", sire and grandsire of multiple National Ace Pigeons, and "Brother Ace Norma", grandsire of Tom Van Gaver's legendary "Tetske" & "New Tetske". For the 7th edition of Pearls of the Sky, they debut with four pigeons from these elite bloodlines, including one paired to "Olympic Hope" herself.

Ydo and Elco Homma have returned to the very top of Dutch sprint racing. After a major theft in 2021, they rebuilt and returned stronger than ever. At the heart of their success is "Dakar", sire of numerous champions, including "Olympic Luna" (1st Olympiad Pigeon Category Yearlings). Other stars in the loft are "Juna", 1st National Ace-Pigeon Sprint PIPA-Rankings & "Jade", 2 times 1st Provincial winner & daughter "Dakar". In this 7th edition of Pearls of the Sky the brothers offering two exceptional young pigeons directly from Dakar, a rare opportunity for top Dutch sprint bloodlines.

Jo & Florian Hendriks

Jo & Florian Hendriks have long dominated the Dutch long distance races. In 2025, they confirmed their top status with a stunning double victory from NPO Issoudun. Their success is built on the formidable "National Harry" line, himself 1st International Ace Pigeon FCI Long Distance. Also champions like "Kleine Gerard," "Lady Harry," and "Bully Harry." These bloodlines consistently deliver top results, not only at their own loft but also on the nests of national and international fanciers. At the 7th edition of Pearls of the Sky, Jo & Florian Hendriks offer a rare opportunity to acquire pigeons from this proven strain.

Jos Thoné

Jos Thoné is a household name in Belgian pigeon racing, renowned for victories from 100 km sprints to 1,000 km marathons and top results in One Loft Races worldwide. His star, Pattaya Avril, narrowly missed gold at the Pattaya OLR, finishing second after 530 km in the leading group. Despite sending small teams, Jos and Xavier consistently achieve remarkable results on One Loft Races. For the 7th edition of Pearls of the Sky, they will offer two exceptional pigeons, giving collectors a rare opportunity to acquire birds from one of Belgium's most successful and respected lofts.

Chris Hebberecht

For decades, Chris Hebberecht from Evergem (Belgium) has been a symbol of international pigeon racing excellence. His legendary bloodlines such as "Champion," "Costello," and "Iké," produced countless top performers and founded winning families worldwide. Recent seasons brought new stars like "Magic Spirit," one of Chris's best ever, and "Aristo," 5th National Ace Pigeon Long Distance KBDB. His influence extends globally, with major successes in top One Loft Races and at fanciers such as Bakker and Veenstra. At Pearls of the Sky 7th edition, Chris offers direct children from "Magic Spirit" and "The Marseille."

Gero Dijk

Gero & Evelien Dijk are one of the best for extreme long-distance racing. Their legendary pigeon "Theo" won 1st International Agen against 25,196 birds. Theo's offspring continue to dominate, including "Charlotte," 2nd National Agen Yearlings 2022. The Dijks excel beyond Agen, with top results in St. Vincent, Barcelona, and other classics. They bring two exceptional pigeons to the 7th edition of Pearls of the Sky: one direct from Theo and one from Charlotte, offering a rare opportunity for the extreme long distance fanciers.

Jan Hooymans

Team Hooymans has left an incredible mark on international pigeon racing. The legendary "Harry" became not only a champion racer but also the foundation of a dynasty, producing top pigeons like "New Harry", "Harry Junior", "Red Harry", "Kleine Harry", "Beauty Harry", etc. In 2025, the dynasty continues to dominate, with national and provincial wins across the Netherlands and Belgium. Breeders worldwide achieve top results from Hooymans bloodlines, including "Olympic Jan", 1st Olympiad Cat. Young Birds at Team GPS. At the 7th edition of Pearls of the Sky Jan brings four exceptional pigeons, including a youngster from "Red Harry" x his own daughter.

Comb. Embregts-Theunis

From Hoeven, Peter Theunis of Embregts-Theunis has consistently raced at the highest level across all disciplines: sprint, middle distance, long distance, and young birds. His allround colony is built on exceptional foundation hens, including "Olympic Millenium," "Pure Gold," and "Olympic Dragon," each producing multiple national winners and top-ranked pigeons. In recent years, his bloodlines delivered numerous provincial and national ace pigeons. For the 7th edition of Pearls of the Sky, Embregts-Theunis returns with top-quality youngsters from these proven lines, a unique opportunity to acquire such pigeons.

Ype Hemstra

Ype Hemstra races from two Friesland lofts, combining top bloodlines like "Finn" (Tom Van Gaver) and "Goed Grijs" (Gebr. Leideman). His star, "Nieuw Goed Grijs," an inbred descendant of "Goed Grijs," was 1st National Ace Pigeon Middle Distance NPO. With Dirk Jelle Drost managing Buitenpost and Henri van der Linde overseeing Sint Jansklooster, Hemstra ensures consistent top performances. At the 7th edition of Pearls of the Sky, a carefully selected group from his elite lines will be offered, a rare chance to invest in the International finest bloodlines of "Goed Grijs" & "Finn"

Comb. Lin

Father and son Lin from Rijnsaterwoude achieved an exceptional 2025 season, being crowned 1st National Champion NPO (nominated) and 3rd National Champion (unnominated). They made history by winning three National Ace Pigeons NPO in the same year, Long Distance, Allround, and Young Birds. Their legendary foundation lines go back to "Olympic Janneke" and her son "Olympic China 001," both former Olympiad stars. In 2025, "Olympic Liu Liu Liu," "Miss Jenny," and "612" continued the dynasty, each becoming 1st National Ace in their category. At Pearls of the Sky, they present a youngster from Olympic Liu Liu Liu x Miss Jenny.

Team Platteeuw

Team Platteeuw, led by Kurt Platteeuw, is a benchmark in Belgian long-distance racing with 12 national wins over the years. Stars like "Melissa" and "Andrea" showcase their exceptional endurance and class, while 2025 brought outstanding performances from "Pieter-Jan", 1st National Ace Pigeon PIPA-Rankings & 1st Nat. Valence. Earlier champions such as "Oliver" and "Fienie" confirm the strength of their lines. National results include top rankings at Valence, Tulle, Limoges, Cahors, and Souillac. At the 7th edition of Pearls of the Sky, Team Platteeuw will offer young pigeons directly descended from these champions, a rare chance to secure proven Belgian long distance bloodlines.

The pigeon in the photo is the father of "Pieter Jan's Pearls", the youngster was still too young at the time of photographing.

Erik Limbourg

Erik Limbourg has long been a leading figure in Belgian pigeon racing, and 2025 confirmed his status as one of Europe's top long-distance specialists. His season featured multiple national ace pigeons KBDB, including three top-5 placements and fifteen top-6 finishes in the PIPA-Rankings. Standout pigeons like "Last Roeper," BE21-2025829, and BE23-2102115 delivered top national results, while his legendary "Geeloger" line achieved international acclaim. For the 7th edition of Pearls of the Sky, Erik offers the very last youngster from the parents of "Geeloger", a rare chance to acquire a historic long-distance lineage.

Team GPS, led by Lex de Jongh with Bernard, Roland, William & Danny, built a colony of the highest level, combining top genetics from Hooymans, Koopman, Eijerkamp, and others. Their main breeding pair, "Golden Favourite" x "Calelvira", produced stars like "Victoria", delivering Provincial and National victories and top-performing descendants. The 2025 season highlighted "Olympic Jan", 1st Olympiad Cat. Young Birds, 1st FCI World Best, and two-time NPO Grand Prix winner. At the 7th edition of Pearls of the Sky, a young pigeon from the main breeding pair, a unique inbreeding from "Golden Favourite" x "Victoria" and a provincial winner in 2025 will be offered.
